

BodyZone
PHYSIOTHERAPY

- Get back what was once yours

Northcote Tigers 2011/12 senior physiotherapist David Close and massage therapist/strapper Kaylah Tierney are pleased to announce that they are bringing their company BodyZone Physiotherapy and their team of trained professionals to the North Shore. They will be based out of 6 rooms within the Glenfield/Wairau Road Harbour Fitness Gym in early February 2012. The facilities will include Physiotherapy, Acupuncture, Sports Massage and Rehabilitation. They will be offering the players and coaches of Northcote Tigers League Club all treatments free of charge when covered by ACC and a discounted rate of \$5 for strapping (in clinic). With the advantage of being based in a gym, 30 day rehabilitation passes for full access to the gym will also be available for patients to get them back from injury faster.

Clinic opening hours are 7am-7pm Monday to Friday and 8am-12pm Saturdays.
